

Experience

University of California, San Diego, La Jolla, CA

Jan 2024 - Present

Resident Assistant

Aug 2025 - Present

- Foster a safe, inclusive, and supportive residential environment by serving as a peer mentor, campus resource, and community role model.
- Plan and implement educational, cultural, and social programs that promote engagement, wellness, and a sense of belonging among residents.
- Respond to policy violations, student crises, and facility concerns through on-call duty rotations, conflict mediation, and collaboration with campus partners.

Undergraduate Math Tutor

Sep 2024 - Present

- Provided one-on-one instruction to support development of foundational math skills and analytical problem-solving.
- Helped students build durable strategies applicable to future math and quantitative courses.

Campus Ambassador

Jan 2024 - Nov 2024

- Facilitate large-scale Undergraduate Admissions projects and events.
- Conduct memorable walking tours for individuals, families, guardians, and specific groups.
- Serve on student panels to aid the Office of Admissions with recruitment efforts including college fairs, regional receptions, school visits, and other various yield events.

Lavner Education, San Diego, CA

STEM Instructor Intern

Jun 2025 - Jul 2025

- Taught engaging, hands-on STEM lessons in coding, logic, strategy, and digital tools to students ages 6-14.
- Fostered a collaborative, inclusive classroom environment while supporting technical troubleshooting and daily instructional needs.
- Developed leadership and classroom management skills by guiding campers, supporting staff, and maintaining a positive, energetic learning space.

LanLearning — Educational Nonprofit (Volunteer), Los Angeles, CA

Jun 2022 - Nov 2023

Program Operations, Data & Curriculum Lead

- Led program operations and scheduling for the LanLearning Fellowship by collaborating across teams to define goals, timelines, and support curriculum implementation.
- Designed and delivered data-driven curricula in statistics and SQL for high school and early college students.
- Built analytics dashboards to evaluate Google Ads performance, audience reach, and website engagement.
- Directed and facilitated hands-on workshops teaching PostgreSQL, database design, and data analysis.
- Supported end-to-end curriculum development for introductory SQL and statistics programs, from defining learning objectives to creating instructional materials.

Increasing Faith International Ministries (Volunteer), Decatur, GA

Media Volunteer

Oct 2020 - Aug 2023

- Work with multimedia equipment utilizing hardware and software, manage live and recorded content, and evaluate audio and visual in real-time to ensure the quality of content in the Media Ministry.
- Train and coach a team of two to provide a consistent customer experience.

V's Sweets, Atlanta, GA

Entrepreneur

Jul 2020 - Jul 2022

- Manage small business providing made-from-scratch baked goods to Atlanta Metropolitan Area.

Atlanta Botanical Garden, Atlanta, GA

Summer High School Intern

Jun 2022 - Jul 2022

- Worked alongside expert Garden staff to cultivate, conserve, and teach others about plant collections in the heart of Atlanta.
- Gained college and career readiness skills from community leaders.
- Worked in staff greenhouses with indoor horticulture staff doing general plant care to the diverse plants that are conserved or showcased at the Atlanta Botanical Garden.
